Nedlands players featured well in the WABC congress. In the Swiss pairs we see

First – Ron Cooper and Tom Lehman

Second – Kaiping Chen and Fiske Warren

Third – Gil Gavshon and Chris Cullen.

Then in the teams Chris Ingham, Geoff Holman, David Matthews and Don Allen came in third.

The 70% club is doing well this year. The latest members are Tim Wright and Vinod Nasta with 70.5% on Wednesday June 3.

A number of our members have succumbed to the virus and quite likely this has affected table numbers. We did hear that Shirley Leavy has had a spell in hospital. We wish you a speedy recovery, Shirley. This is a reminder to all that we need to observe the best hygiene practices when at the club. Not to mention everywhere else – we like to see you at the regular sessions rather than you having to cower in fear behind locked and bolted doors for the prescribed 7 days.
